iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Our problem is that sometimes we cannot hear properly; and sometimes for all sorts of reasons we fail to understand. A bit like a child who develops communication and they grow and mature in communication skills. It is not immediate; and actually we continue to develop interpersonal communications for the whole of our lives. Many of us could enjoy the same experience (journey) in our communications with God. It s interesting that as we get older we cut out certain frequencies. Sometimes our ears are just not attuned, or sometimes it s because of distraction, like when I pull up in my car and start talking to my next door neighbour and sub-consciously disregard the regular bell-like pulse of my alarm that tells me the fact that I ve left my lights on to my peril. Perhaps the alarm is ringing and this book will help you to hear it. -Dave Bilbrough, International worship leader and songwriter.
