Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Co-O-Za According to occult history, the Deluge was but the ebb-tide of the sinking of Atlantis. This lost continent extended from Egypt to Wyoming, including the Atlantic Ocean, which, in that day, then was land. The Saharan Desert and African jungles were then a rolling sea, and south of where today Cape Town now stands, land began again. The civilization of Atlantis was far beyond the richest culture of any modern time. By harnessing the currents of the earth the Atlantians obtained their heat and power; by overcoming gravity they found transportation in the air. With mental telepathy in use a telegram was out of date. Courageous, beautiful and strong, both men and women were intensely human. They loved their pageants and their games and scorned a costume that would stilt their vigor or deny them grace. They used the seven colors, but blended them with opal, onyx, madder, rose and jade. Their fine arts were so far advanced they turned, for welcome contrast, to the primitive and rude. Spiritually, Atlantis had a priesthood and a faith, but they delved into the occult and this knowledge brought abuse. Their morals then corrupted and decayed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
