Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

REACHING FOR THE MOON

To get **Reaching for the Moon** PDF, make sure you access the link beneath and save the file or have accessibility to additional information which might be relevant to REACHING FOR THE MOON book.

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Reaching for the Moon, Buzz Aldrin, Wendell Minor, I walked on the moon. This is my journey. But it didn't begin when I stepped on board Apollo 11 on July 1, 1969. It began the day I was born. Becoming an astronaut took more than education, discipline, and physical strength. It took years of determination and believing that any goal is possible-from riding a bike alone across the George Washington Bridge at age ten to making a footprint on the Moon. I always knew the Moon was within my reach-and that I was ready to be on the team that would achieve the first landing. But it was still hard to believe when I took my first step onto the Moon's surface. We all have our own dreams. This is the story of how mine came true.
