

The Discovery of the Future

By H. G. Wells

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 70 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Excerpt: IT will lead into my subject most conveniently to contrast and separate two divergent types of mind, types which are to be distinguished chiefly by their attitude toward time, and more particularly by the relative importance they attach and the relative amount of thought they give to the future. The first of these two types of mind, and it is, I think, the predominant type, the type of the majority of living people, is that which seems scarcely to think of the future at all, which regards it as a sort of blank non-existence upon which the advancing present will presently write events. The second type, which is, I think, a more modern and much less abundant type of mind, thinks constantly and by preference of things to come, and of present things mainly in relation to the results that must arise from them. The former type of mind, when one gets it in its purity, is retrospective in habit, and it interprets the things of the present, and gives value to this and denies it to that, entirely...

This pdf will be worth buying. Better than ever, though I am quite late in starting to read this one. I can easily get a enjoyment of reading through a published book.
