THE RED COCKADE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This story is based on my children s genealogical records and my study of the time period of the American Revolution. I hoped that middle-grade students would identify with, and be inspired by the loyalty and courage of the true character, teen-aged Joseph. Though he was actually impressed as a wagoner for the British, I ve fictionalized his dangerous spying adventures with an underground group, and his courageous loyalty to his friend, Martin. Vignettes of Martin s soldiering with the Continental Army are interspersed with Joseph s struggles to help the Patriot cause at home on the farm. The Red Cockade was read by middle school students. Their input is written as comments on the acknowledgements page.
