Oldcastle Books Ltd, United Kingdom, 2007. Hardback. Condition: New. Language: English . Brand New Book. Why is the rainbow getting shorter? Tillie discovers Hecatey the Hideous, King of the Hobgoblins is planning something no-one would ever think of doing, and the beautiful sprites who create the rainbows are counting on Tillie to stop him. Stealing the thread from the rainbow to create a dazzling magic cloak, Hecatey knows when he wears it, that it has the power to suck the colour from whatever he passes - turning everything around him dull and grey. This way, the wicked hobgoblin believes he ll become the most magnificent sight in all the land. He succeeds. But in a way he doesn t expect! The Rainbow Weaver is a unique picture book appealing to both children and grown-ups, reminding us that magic is for all ages, not just for little children. This book has been designed for very easy reading out loud. When each of the characters speaks, their words are in a different style of writing, so that you know straight away who is talking.
