Psychanalysis in the Classroom (Classic Reprint)

By George Henry Green

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 310 pages.

Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from Psychanalysis in the Classroom Mr. Green has written a book which will reward with new insight every school teacher who may read it. He has in a very unusual degree the power of gaining the confidence of children and of inducing them to talk of those entirely private experiences which are aptly called their daydreams. He has gathered accounts of such daydreaming: from many children; and in this book he presents a sample of this store, skilfully showing how great is their importance in the lives of very many children, and how the wise teacher who knows how to penetrate these privacies of the child's mind may gain an understanding of the child which could hardly be obtained in any other way and which enables him to correct at an early stage tendencies which might and too often do develop into morbid and hampering habits. It may be hoped that Mr. Green's book will serve in some measure as a corrective of the exaggerated behaviourism which is rampant in this country and which threatens to be a serious bar to...

Reviews

These kinds of ebook is the perfect publication offered. It is among the most incredible publication i have go through. You will not feel monotony at whenever you want of your time (that's what catalogues are for concerning if you check with me).
