

Medical Terminology: A Short Course (7th Revised edition)

By Davi-Ellen Chabner

Elsevier - Health Sciences Division. Paperback. Book Condition: new. BRAND NEW, Medical Terminology: A Short Course (7th Revised edition), Davi-Ellen Chabner. Quickly master the basics of medical terminology and begin speaking and writing terms almost immediately! Using Davi-Ellen Chabner's proven learning methods, Medical Terminology: A Short Course, 6th Edition omits time-consuming, nonessential information and helps you build a working medical vocabulary of the most frequently encountered suffixes, prefixes, and word roots. Medical terms are introduced in the context of human anatomy and physiology to help you understand exactly what they mean, and case studies, vignettes, and activities demonstrate how medical terms are used in practice. With all this plus medical animations, word games, and flash cards on the companion Evolve website, you'll be amazed at how easily medical terminology becomes part of your vocabulary.

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

-- **Faye Shanahan**

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
