Brand New Book ***** Print on Demand *****.This book shows how an experienced psychologist developed an intuitive dream interpretation method. This book gives you an understandable system of dream interpretation using 40 rules. Dreams: Guide to the Soul is an excellent dream interpretation reference book that is Book 99 in the Cambridge Linguistics Studies series that picks informative books on select subjects. This dream interpretation method is teachable and comprehensible. Its value as a course text book is that it teaches how to actually go about interpreting dreams rather than being just another book about dream theory and history. Dr. Fox s blog is at // Educators and psychology students and professionals, as well as the lay public will find the approach described to be practical and life-invigorating. You will learn the most vital factors to use to obtain the meaning of a dream in your life. You can have access to the insight your subconscious wants to give you to help solve problems. What looks like chaos in dreams can be reorganized and used to guide your plans. The mind continues to produce solutions to problems and often gives the answer in a dream riddle. Dreams science is a strange soul logic that is raw, concrete and fascinating. It wants you to be the best you possible. You be you. After years of work as a private-practice clinical psychologist, Dr. Steven G. Fox has compiled a list of the 40 most essential keys/rules that build a conceptual framework for an understandable and accessible method of interpreting dreams. The author uses several full dream examples to show how each rule is used to interpret dreams, using anonymous client dreams. Therapists will appreciate...
