

Code Name Butterfly (Paperback)

By George M James

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Code Name Butterfly we deal with sniping, something which is often in the media these days. There is, however, a bizarre misconception in the US that police snipers are less trained, less deadly and shoot at much shorter distances. That may be true with Sheriff Departments where SWAT is seen as the ultimate but down here we don't rate US Police SWAT highly. To be clear, not one US-based SWAT Team is rated by us as true Special Forces, they are seen as low percentage units and barely able to deal with violent criminals. In this country, South Africa, and many others, the snipers are all true Special Forces rated. They made a Selection that is rated above that of the US Navy SEALs and the Green Berets as well as the British Special Air Service in failure rates (never less than 90 failure - in 40 years, 481 men made Special Forces out of 100,000 that tried). You may take for granted, the snipers here will be every bit as good as those from the better-known units which is...
