By U C-Abel Books

U. C-Abel Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Take your browsing experience to the next level with keyboard shortcuts. Almost everybody who can open a web browser/page thinks he knows internet operation. Some of these people end up embarrassing themselves during an interview. The undiluted truth is that internet operation is broad, learning it is not a day business, nobody knows it all. The secret of success as far as internet operation is concerned is starting from somewhere and having the zeal to learn and improve always. Internet browsers come from different companies, are developed differently, programmed differently, and are used differently. Even the updating that occurs brings a difference causing a difference in operation. For instance, the way Google Chrome is used is different from the way Explorer is used. Though Explorer 9 and Explorer 11 were developed by Microsoft Corporation, yet they are not the same. Let this book teach you how to handle your browser in order to be more productive, efficient, and effective through the use of keyboard shortcuts and tips for all browsers listed on the cover of this book and many more. What you...

Reviews

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).
