Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This new guide provides a more objective and less partisan easy-to-read guideline to the law than the highly advertised Nick Tate s ObamaCare Survival Guide --- ObamaCare Facts On Tuesday October 1 2013, the Affordable Care Act s health insurance exchanges, or marketplaces, opened for business. . And what that means for millions of uninsured Americans is they ll need to start shopping or prepare to face a fine. But many are still left with some very basic questions. Primarily: What are the exchanges and how do they work? This collection gives you a more objective and less political easy-to-read guide to the law, helping readers understand the basics of the ObamaCare health care plan and bill, so you can decide for yourself what you think of ObamaCare, based on the facts and not the News Radio / TV opinions. It serves as a valuable resource for those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law.
