With competition fierce and only a few months left until the finalists are chosen, it ll take the whole team to uncover something truly remarkable: the Kamju, a civilization hidden deep in the wilds of Uganda. Nadia knows how important this discovery could be to her parents, but she can t shake the feeling that something is wrong. After all, wouldn t there be more than legends and whispers if the Kamju actually wanted to be found? And why are her parents being so secretive about their plans--if they find the Kamju, what happens next? Things go from weird to worse when they meet their mysterious new tour guide, Bantu.
