Math Manual 2015: A Comprehensive Guide to SAT Math

By Mitch Wilson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Comprehensive. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Math Manual is one of the most efficient, direct ways of preparing for the SAT math component. The SAT can sometimes be made out as an impossibly difficult test. Even worse, there are prep books out there that describe the test in a predatory, you-don t-have-a-chance style, which will only leave you with no confidence and full stress. Relax! You have a few advantages breaking your way. The first, is that the curriculum of the math section does not change. There are no new topics, nor attitudes that shift, nor even a change in language. You could write a test this year, or in 1983, and you could very well see the same question appear. To math folks, we call this a finite amount of material. There is a limit to what you can be tested on! Even better, the limit is nothing extraordinary. With sensible prep, you can do this. Yes, you. Second, the math sections do not test your ability to grind out equations and crunch endless strings of numbers on your...
