Shopify: Make Money Online with Shopify In today s population, being an entrepreneur and a business owner ranks highly in the goals of most people. The dream of being your own boss is one that is deeply etched in their conscious and subconscious mind. And for years and years, we have been constantly bombarded with information, with advice and guidance that often echo for us to suppress that dream and take a more conventional route of life. Study hard, get good grades, be hired by a blue-chip firm that pays you a decent amount that will enable you to live a good life. What is it that they mean by good life? Is this the only path to true happiness on earth? Is this what we were made to do. This has been the advice that has constantly been offered, solicited or not. But in this book, you will learn something different. Life has changed. Personal opinions on what good is has changed and are now as subjective as could be. We live in the age of the internet. In the Information era, where everything is possible and all the rules will be re-written. We have been awakened to the realization that there is more than one path to fulfillment. There is more than one path to financial freedom. There is more than one path to a happy life. This book explores one of those paths. We are able to see how one is able to build a successful and global business while leveraging best on the resources that they have. Whether large or small, this book will open you up to the world where you will be able to start...
