MY LIFE IN MY HANDS (PAPERBACK)

SIMON SCHUSTER, United States, 2006. Paperback. Condition: New. New ed.. Language: English . Brand New Book. I think it s wrong for me to complain that people don t understand disability and then refuse to talk about my personal life. Telling my story is the best way I know to make issues I care about understood In autumn 2005, Alison Lapper s body became familiar to thousands of people when Marc Quinn s 16-foot marble statue of her - Alison Lapper: Pregnant - was placed on Trafalgar Square s fourth plinth. MY LIFE IN MY HANDS is Alison s story: from her mother s rejection at birth, through a childhood deprived of affection in children s homes, to independence, a first class art degree, motherhood and critical success. Her resilience, fortitude and humour are humbling, yet she rejects any notion of bravery . From the beginning, Alison was different to most children, yet through the strength of her personality and the nurturing of her artistic talents, she was determined to live as full a life as possible. MY LIFE IN MY HANDS challenges our perceptions of disability by showing how Alison overcame pain, prejudice, violence and loneliness to reach a state of happy independence. MY LIFE IN MY HANDS is an extraordinary and compelling story like no other.
