Rosen Classroom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Working with data is a foundational concept not only for mathematics, but also for understanding the world around us. Readers will gain exposure to principles of measurement, such as measuring length and using it to perform operations, while other narratives introduce concepts of money and time. Bright visuals help make math not only concrete, but also fun. Estimating is a big part of measuring, and readers will get to practice as a relatable narrator in this title moves into a new home. This volume meets CCSS Math Standard 2.MD.A.3.
