## Making Burros Fly: Cleveland Amory, Animal Rescue Pioneer

By Julie Hoffman Marshall, Cleveland Amory

JOHNSON BOOKS, United States, 2006. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. People who knew Cleveland Amory say it would be impossible to forget him and his compassion for animals. He is the loveable old curmudgeon, the author of *The Cat Who Came for Christmas*, a man who evolved from writer to animal crusader. Amory also created the Fund for Animals, an aggressive animal rights organization. This book chronicles Amory's amazing Army of the Kind--airlifting 500 burros set to be slaughtered from the depths of the Grand Canyon, saving pigeons and rabbits, stalking hunters, shooting buffalo. Along the way, he created sanctuaries for animals to save them from abuse and neglect, establishing a network of foot soldiers for his Army. The Fund never grew to the size of an organization like PETA, but it was an irritating presence to anybody who tried to hurt animals. The story of the Fund relates how far we've come, explores how far we need to go, and shows the type of personality needed to head the next generation of animal rights activists.

### Reviews

*This is an remarkable publication that I have ever read. Indeed, it is actually engage in, nevertheless an interesting and amazing literature. I am just happy to inform you that this is the best publication i have got go through during my personal lifestyle and may be he finest ebook for actually.*
