Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****.Originally published in 1871, *Pink and White Tyranny* is, seemingly, a light, comic story about a frivolous young girl who marries for money. However, as with most of Beecher Stowe's writings, things are not what they appear on the surface. This society novel, instead, is a critique of the nineteenth-century's dominant view that women should use their femininity to gain power. Reflective of Stowe's progressive moral and domestic views, the novel is a refreshing work of social satire that showcases Stowe's comic abilities as well as her progressive views.
