A Journal of the Plague Year: Being Observations or Memorials of the Most Remarkable Occurrences, as Well Public as Private, Which Happened in London During the Last Great Visitation in 1665

By Daniel Defoe, Christopher Bristow, Cynthia Wall, Anthony Burgess

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, A Journal of the Plague Year: Being Observations or Memorials of the Most Remarkable Occurrences, as Well Public as Private, Which Happened in London During the Last Great Visitation in 1665, Daniel Defoe, Christopher Bristow, Cynthia Wall, Anthony Burgess, In 1665 the plague swept through London, claiming over 97,000 lives. Daniel Defoe was just five at the time of the plague, but he later called on his own memories, as well as his writing experience, to create this vivid chronicle of the epidemic and its victims. 'A Journal' (1722) follows Defoe's fictional narrator as he traces the devastating progress of the plague through the streets of London. Here we see a city transformed: some of its streets suspiciously empty, some - with crosses on their doors - overwhelmingly full of the sounds and smells of human suffering. And every living citizen he meets has a horrifying story that demands to be heard.

Reviews

Excellent electronic book and valuable one. We have read and so i am sure that i am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book i have read during my personal lifestyle and might be he greatest book for possibly.

-- **Brendan Wuckert**

This pdf is so gripping and exciting. I actually have go through and that i am confident that i will going to read once again once more in the future. I discovered this publication from my dad and i advised this ebook to discover.
