Maybe you can even anticipate her next turn. But when you decide to follow Jesus, it's a different story. Or is it? For the people in the Bible who followed Jesus, it was a physical act. He was right there in front of them. But today, as you try to follow Jesus, how do you stay in step with him? Especially if you don't know who he is or where he's leading you? In Follow, you'll find 20 eye-opening studies that will draw you into the Bible and reveal to you the real Jesus. You'll discover how a guy who lived 2,000 years ago can impact your life today and for all eternity. Designed to address many of the questions that high school students have about Jesus, Follow will help you understand what it means to truly follow Jesus---and why it's worth it.'
