This testimony reviews two case studies that clearly demonstrate the need for the Department of Defense (DOD) to reform its business operations. These two case studies are microcosms of the broad management challenges facing DOD that were highlighted in GAO's June 2002 testimony (See GAO-02-784T). GAO provided views on the underlying or root causes of DOD's long-standing inability to successfully reform...

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This ebook can be worthy of a go-through, and a lot better than other. Better than never, though I am quite late in starting to read this one. It has been printed in an exceedingly easy way which is just soon after I finished reading this book where it basically modified me, affecting the way I really believe.
