Reviews

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).

A NIP OF MURDER

Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. As Daisy McGovern knows all too well, it isn't easy being a young, small town waitress at the local diner. And it becomes even harder just as she's trying to stitch her life back together and salvage her job by converting the diner into a bakery when a mysterious robbery occurs and one of the thieves ends up dead on the bakery floor with a chef's knife in his chest. Forced into a twisted game of cat-and-mouse that takes her from secretive nip joints overflowing with moonshine to weathered Appalachian mountaintops overflowing with history and guns, Daisy must figure out who the dead man is and why he was in her bakery before she becomes the next victim. This is the second entry in a charming series filled with eccentric characters, red herrings, and, of course, moonshine!
