Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A sabbatical to Ash s homeland of Greece, to the very place she was born and died in, turns into a rescue mission when trouble inevitably catches up with the vampire-Uruwashi couple. Except this time, trouble is in the form of a vampire who isn t after Tristan. Unable to stop the Master vampire from taking Ash and left for dead, Tristan awakens to find an unlikely couple has taken him in. Their interest has more to do with Tristan s future rather than Ash s and they insist upon his devoted assistance. Refusing, Tristan rebels against his keepers. A spell meant to keep him in check misfires and nearly kills him only to transmute into his salvation as chance drops just the person he needs into his life. With the help of his new friend and an unexpected vampire ally, Tristan rushes to find Ash before her mind is broken by three centuries of accumulated despair. Only, there is more than an insane Master vampire impeding the path to deliverance as old secrets come to light. Fate is fickle, yet remains immutable and true. Tristan s path may meander but the way cannot be lost now. But the price of straying may prove too costly for Tristan and those close to him.
