Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. On the eve of a vital CIA assignment, an agent s hesitation leads him to the brink of disaster His grandfather was a lawman too. That s how Charles O Farrell rationalizes his work. He keeps a picture of his ancestor by his bed, a faded sepia portrait of a short, plain-looking man made remarkable only by the long-barreled Colt strapped to his hip. His grandfather killed to make the frontier safe - O Farrell has the faded newspaper clippings to prove it. In the service of America, O Farrell kills too. But his killings never make the front page. A trained CIA assassin, O Farrell lives like a machine, operating according to a perfect routine because routine keeps him sharp. Routine keeps killers from getting killed. But now, as he readies his next hit, a terrible twist will disrupt his once meticulous process. Doubt has begun to creep into Charles O Farrell s mind, and in a business where even the smallest hesitation can spell certain death, doubt is very dangerous indeed.
