Ted, a gifted trauma surgeon is a wonder to his profession. Many souls would have passed on if not for him. Little do others know, he is helped by Ben, a ghastly presence that has come back from beyond, held in this world to right the wrongs he caused in life. Then the fateful day arrives as Ben crosses over to the other side, leaving Ted in the grips of a demonic force bent on destroying him and all around him in the small town of Seadrift, waging a war against humanity in a fight that will leave destruction and carnage in its wake as the veil between the living and the dead dissolves.
