Excerpt: . . . excepted service and are not covered by the Civil Service Reform Act. The OIG does not have to obtain OPM approval for its program because it does not use polygraph examinations for pre-employment or personnel security screening. Program Performance and Results In accord with federal polygraph standards, the FBI, DEA, ATF, and OIG collect statistical data on the type, purpose, and results of polygraph examinations they conduct. The data are used to identify trends, manage the examination workload, monitor the work of individual examiners, develop budget estimates, and track performance. Certain results data serve as indicators of the performance of the polygraph examiners. For example, the skill of examiners in using the polygraph technique can be assessed by their rate of conclusive opinions (i. e. , the percentage of Deception Indicated or No Deception Indicated opinions versus Inconclusive results). We examined the components data on the outcomes of...
