Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Bram Stoker Award-Winning author of THE TURTLE BOY, KIN, and JACK JILL. Somewhere out west there is a town called Milestone. You will not find it on any map. If you re lucky, you won t find it at all. Once a thriving mining community, the few souls who still dwell there know nothing of hope and everything of damnation. Because Milestone may appear near-death, a ghost town in the making, but it is very much alive. There are the stories of invisible barriers that open and close the borders on a whim, sometimes fatally, the whispers of a man in a top hat who comes cycling up out of the darkness of the abandoned mine to change the fate of the town, the buried music box that summons him, the people with unnatural powers, the old man who counts stacks of pennies and prays they never fall.and the fires that burn brightly with the sounds of screams. Milestone is very much alive, and those unlucky souls trapped within its borders have little choice but to learn the true nature of their prison, or become its latest victim. And even as they fight against the inevitable, the borders continue to expand. Milestone is growing. Included in the following book are the novellas The Witch, Saturday Night at Eddie s, Thirty Miles South of Dry County and The Palaver.
