

The Flight to Brassbright (Paperback)

Filesize: 7.55 MB

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

THE FLIGHT TO BRASSBRIGHT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Bob Brown (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Constance is a wild, stubborn young girl growing up poor in a small industrial town. But beneath her thread-worn exterior beats the heart of a dreamer and a wordsmith. She feeds her hunger for reading by picking the lock on the local bookstore late at night to enjoy her own private reading room. But at age twelve, she s orphaned. With no relatives to take her in, the local authorities scheme to take charge of the bewildered girl s life. Running away to join the circus-like kids do in adventure books-seems like such a brilliant idea. or is it? That was six long years ago. Now, Constance is eighteen, fed up with the constraints of life under the big-top, and despairing for her future. She s ready to dust off her old dreams, but first she s going to need another cunning escape plan. Can a young, newly-freed woman travel the road to her dreams and a place to call home? Step back in time to 1895 and take a wild, occasionally hilarious ride with Constance and the friends she meets along the way, as she travels the dirt roads and blue skies of a country called Industrialia. Her journey winds through towns and cities bursting with creative eccentrics, high-flying airships, dazed automatons, brilliantly cracked inventors and more than a few kindred spirits. With allies like these, what could possibly go wrong?.
