THETFORD GRAMMAR SCHOOL: FOURTEEN CENTURIES OF EDUCATION IN EAST ANGLIA

DOWNLOAD

Bloomsbury Publishing PLC, United Kingdom, 2015. Paperback. Book Condition: New. 210 x 149 mm. Language: English . Brand New Book. Thetford Grammar School s formation is shrouded in mystery, but it may date back as far as 631. First re-founded by the Bishop of Norwich in 1114, the school was revitalised following the dissolution of the monasteries, and firmly re-established by an Act of Parliament in 1610 and then by a new foundation document in 1876. A Girls School was set up alongside the ancient Boys School in 1888 and both schools spent the middle years of the twentieth century as county council grammar schools, before their re-foundation as a co-educational independent school in 1981. Written to coincide with the 450th anniversary of Thetford Grammar School s re-founding and drawing on the school s archives, David Seymour discusses four and a half centuries of governance, pupils, headteachers, ushers and assistant teachers, phases of building, and the development of the curriculum.
