Ancient warriors who died of brutal betrayal, they have sworn themselves into the service of the goddess Artemis to protect us and to get a chance to take down their enemies. It's a pact with pretty good perks - immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Now things are tightening up on Kyrian and Amanda. As they face a new kind of Daimon that appears to be on massive steroids, Kyrian's powers become unsteady. Amanda's powers are moving to the forefront, but she still wants to deny them. If they don't find a way to stabilize and unite their powers soon, more than their lives will be over. ours will be too. Some days it really sucks to be human. and immortal. From the imagination of Sherrilyn Kenyon comes the next humorous and action-packed manga volume in her number 1 internationally bestselling "Dark-Hunter Series".
