Shortly after he is admitted to the hospital, the doctors discover that "Bob Smith" has been suffering from amnesia for several months. Who is he? Where is his home? What tragic happening caused such distress that his memory is a blank? Answers to these questions must be found if "Bob" is to be cured. Working under the direction of the medical and psychiatric doctors, Cherry plays a crucial role in helping the patient to get well and to find a solution to the dilemma that caused his "flight from memory."
