Reviews

The ideal ebook i actually read through. It really is written in simple words and phrases and not confusing. Its been written in a remarkably simple way and it is just after i finished reading this ebook where in fact modified me, affect the way i think.
(Alice Cremin)

EL INSTINTO DE CREER

PAIDÓS, BARCELONA, 2012. Rústica. Book Condition: Nuevo. Dust Jacket Condition: Nuevo. 01. Por qué es tan difícil compartir una creencia? Pese a nuestros mejores intentos por adoptar el pensamiento racional y rechazar la superstición, a menudo nos vemos atraídos por fuerzas invisibles que guían nuestro destino, nos preguntamos quién puede estar mirándonos desde arriba e imaginamos qué puede haber después de la muerte. En este nuevo libro, Jesse Bering, gran conocedor del tema y con un estilo ágil y entretenido, nos revela los fundamentos psicológicos de por qué creemos en lo que creemos. Combinando iluminadoras explicaciones de nuevos y sorprendentes estudios científicos con referencias a la literatura, la filosofía e incluso la cultura pop. Bering nos ofrece una narración que divierte a la vez que hace pensar. Bering examina todas nuestras creencias sobre Dios y lo sobrenatural hasta dar con un rasgo único de la psicología humana conocido como teoría de la mente, el cual nos permite hacer conjeturas sobre las intenciones y los pensamientos de los demás. A continuación, lleva este innovador planteamiento un paso más allá, poniendo de manifiesto cómo el instinto de creer en Dios y otras fuerzas incognoscibles procuró a los primeros seres humanos una ventaja evolutiva. 436 grms. LIBRO.
