English for Better Jobs is the first book in a three-volume textbook/workbook series designed for adult English-as-Second-Language (ESL) learners who plan to enter the workforce. It presents the grammar, vocabulary, and language skills necessary for entry-level employment as well as getting along in an English-speaking environment. Detailed teaching notes provide step-by-step explanations on how to present the lessons. The workbook is designed to be used in tutoring situations or in small group instruction. However, it can be used with larger groups, too. Although most exercises are self-explanatory, teaching notes at the...
