On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.LEARN HOW TO SPEED READ AND ANALYZE PEOPLE! Do you have the desire in you to analyze people accurately through verbal and non-verbal clues they are constantly offering? That secret skill that is vital in helping you form more fulfilling interpersonal relationships, boosting your work performance, enhancing your social life, and generally making you a happier and well-adapted person is the ability to read people accurately. To shatter the illusion, not everything we must learn to succeed in life is taught to us in schools. Yes, the secret to success in work, relationships, social circles and life is not taught in schools. Despite possessing exemplary industry know-how, there's every reason you might still struggle in your professional life owing to the inability to understand people's feelings and behavior. It can be one of the most important attributes of your success in the contemporary age. The art of being able to read people's feelings, thoughts and behavior is probably what sets apart exceptional performers from average folks. Analyzing other humans isn't a skill people are naturally born with. It is a knack that can be acquired by anyone willing to practice consistently by giving it a real chance. In this book, you'll learn everything about identifying personality types, developing techniques for reading people through verbal and nonverbal clues, developing insights about human behavior through diverse psychological theories, and much more. Here's a glimpse of what you can expect from this handy resource of emotional intelligence: Proven techniques for reading people through their words Tried and tested strategies for boosting your body language reading skills The importance of mastering people analyzing skills Powerful tips for reading other people's behavior for developing sounder interpersonal relationships Telltale signs of deception,...
