Cougar Webworks, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Last Book departs from Thomas Mann s last, unfinished novel (foreseen as the start of a trilogy) and propels the picaresque hero, confidence man Felix Krull, into the speculative waters of time travel, alternative history, and a dystopian future, via a 70s joyride through middle America. At the height of his powers, Felix is recruited by a future presidential candidate, Sophie, to join her campaign team. Committed foremost to the fruits of personal charm and destiny, Felix embarks on a quest to reunite with Sophie, testing both his mettle on a world stage and his capacity for loyalty and enduring love. A comparable work is David Mitchell s Cloud Atlas, shaded with House of Cards. Other writers with stylistic echoes include Tom Robbins, Jack Kerouac, Margaret Atwood, Kurt Vonnegut, Umberto Eco, and Philip K. Dick.
