Brand New Book ***** Print on Demand *****. *Includes pictures *Includes contemporary accounts of the partition *Includes online resources and a bibliography for further reading Beyond its obvious influence in areas like trade and commerce, the East India Company also served as a point of cultural contact between Western Europeans, South Asians, and East Asians. Quintessentially British practices such as tea drinking were made possible by East India Company trade. The products and cultural practices traveling back and forth on East India Company ships from one continent to another also reconfigured the way societies around the globe viewed sexuality, gender, class, and labor. On a much darker level, the East India Company fueled white supremacy and European concepts of Orientalism. Ultimately, the company's activity across the Indian subcontinent led to further British involvement there, and the British Raj, a period of British dominance and rule over India that formally began in 1857 and lasted until 1947, remains a highly debated topic amongst historians, political scientists, the British people, and the people of modern India. Thanks to its commercial complexion and the power invested in a board of directors, British rule in India was characterized by economic monopolies, aggressive trade practices, punitive taxation, and the impoverishment of vast regions of India. Much of the Company's industry was based on a policy of producing and exporting raw materials from India and importing manufactured goods to satisfy an almost unlimited local market. Home industries and the domestic cottage textile industry, in particular, were heavily impacted by this, and with the addition of land taxes and a general regime of economic exploitation, the British East India Company grew to be a heavy burden on the shoulders of ordinary Indians. British India ultimately...
