Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hold on to your body fluids! Join a frantic trip from coast to coast to coast with one of the most adventurous yet cautious secret agents in the shadowy and dangerous field of medical diagnostic investigation. Based on true-life adventures, in a job that only a handful of fools will aspire to do, this twisted trail of destruction and seduction will have you gripping the edge of your covers. These irreverent and almost-too-wild-to-believe tales of exploration and discovery will leave you tingling as our agent delves into the most secretive circles of applied analytical research and uncovers nearly three riotously abnormal outcomes in the world of investigative medical science. Whether traveling across arctic wilds behind a team of sled dogs or piloting a capsule over untamed prairie, the story is about the medical and research laboratory instrumentation that he works on, and the excitement of getting to where they are located.
