## Mount Rushmore: Sheet (Paperback)

By -

Alfred Music, 2012. Paperback. Condition: New. Language: English . Brand New Book. Mount Rushmore is a tribute to the sculpture carved into the granite face of Mount Rushmore, near Keystone, South Dakota. Each movement of this suite represents one of the four great presidents carved into the mountain. Washington Fanfare is a majestic fanfare to George Washington and uses bi-tonal chords that contrast with a lyrical melody. Abraham Lincoln is represented by Of the People, a reverent piece showing the slow and steady reserve that was a hallmark of Lincoln's leadership. Using broken chords that move up and down the keyboard, the rough and tough personality of Theodore Roosevelt is featured in the rugged The Rough Rider. In the The Architect, Thomas Jefferson's brilliance shines through in a light and flowing melody that features meter changes and lyrical moments.

### Reviews

*A must buy book if you need to adding benefit. it absolutely was writtern very properly and valuable. I found out this book from my i and dad advised this ebook to find out.*

-- **Amanda Larkin**

*Absolutely essential study publication. It usually fails to expense an excessive amount of. Your lifestyle period will probably be transform when you full looking at this publication.*
