Reviews

It in one of my personal favorite book. Sure, it is engage in, continue to an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.

(Wellington Rosenbaum)

THE DOCTOR IN WAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Doctor in War Believing that the doctor and the sanitarian would play an important and by no means discreditable part in this World War, after offering my services to friends on the British Army Medical Staff, only to find that they could not accept any one, save on the terms of taking the oath of allegiance and losing American citizenship, I decided to attempt to visit and study the medical arrangements on the Western Front. As I had more than half anticipated, I found there the finest and most triumphant demonstration of what modern science can do for the protection of the health and life of an army or a nation ever given in history, equaling if not surpassing the hitherto unrivaled victory of the forces which save life on the Panama Canal. Thanks to the personal kindness of the Secretary of War, Mr. Baker, and of my friend Colonel Roosevelt, together with the courtesy of my medical colleagues, I secured letters of introduction and papers which made me successful beyond my expectations in securing permission to see almost everything of any value or interest from a medical and public health point of view, from the Base Hospitals up to the Aid Posts in the front-line trenches and from the munition works and Training-Camps to the Hospital Ships and the British Fleet. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
