SIMON SCHUSTER, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Joseph Sebarenzi's parents, seven siblings, and countless other family members were among 800,000 Tutsi brutally murdered over the course of ninety days in 1994 by extremist Rwandan Hutu--an efficiency that exceeded even that of the Nazi Holocaust. His father sent him away to school in Congo as a teenager, telling him, If we are killed, you will survive. When Sebarenzi returned to Rwanda after the genocide, he was elected speaker of parliament, only to be forced into a daring escape again when he learned he was the target of an assassination plot. Poetic and deeply moving, God Sleeps in Rwanda shows us how the lessons of Rwanda can prevent future tragedies from happening all over the world. Readers will be inspired by the eloquence and wisdom of a man who has every right to be bitter and hateful but chooses instead to live a life of love, compassion, and forgiveness.
