

How to Draw Insects: in Simple Steps

By Dandi Palmer

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, How to Draw Insects: in Simple Steps, Dandi Palmer, Author Dandi Palmer shows how you just take simple shapes and build them up in clear stages little by little. This visual and practical approach will have you reaching for your drawing tools time and time again. Here you will find all kinds of wonderful insects, from the more harmless, friendly ladybirds and beautiful butterflies, to predators such as the spiny flower mantis and the wasp. Also included are a dragonfly, a female glow worm, the puss moth caterpillar, and many more. The two-colour line illustrations make the drawing process simple, highlighting every stage, and the final images show what to use if you choose to produce a final, full colour image. You do not have to know how to draw to use this book. Instead, the projects will build up your skills and give you the confidence to create your own drawings. Experienced artists will find this book useful too. It is a great source of ideas and an inspiration for anyone wanting to draw these fascinating creatures.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
