

## The Non-Standard PFC A Triumph of Creativity Over Conformity

By Marshall Trieber

TechScribes, Incorporated. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. This charming and humorous little book relates the adventures of Marshall Trieber, a young scholar from Arkansas, as a misfit in the US Army of post-World War II occupied Japan. After a spectacularly non-standard performance as a clerk in a repair unit, Marshall was reassigned to Military Intelligence. There, at the age of 19, he became the co-founder and assistant principal of a new school for American dependents. Marshall's new role saw him dealing with unexpected translations, semi-reformed swindlers, teachers juggling multiple wives, and the acquisition of unauthorized supplies, all set against the backdrop of an Eastern society struggling to adopt Western ways. It is a fascinating tale of a forgotten era that still resonates today. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.*

-- Prof. Elliott Dickinson

*These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.*
