Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Culinary Handbook: The Most Complete and Serviceable Reference Book to Things Culinary Ever Published The name which is given it indicates the principle upon which the book has been made: namely, that it might serve as a book of reference; as a comprehensive exhibit of the growth, and condition of the requirements of the traveling public. The work is not a cook book, and does not pretend to teach cookery, yet to those that have already received the fundamental ideas of cookery, it will be found to be the best theoretical teacher obtainable, as it clearly shows what the combinations of the dishes are and what they look like, and how they should be served.
