Available for the first time in paperback! The world of the bestselling Christmas series, the Snowflake Triplet, comes alive in these short stories, filled with familiar faces and new places. **The Christmas Wish** This story starts with a song, and with a wish. The song is a Christmas song, and the wish is a wish that Clara wishes every year during the week leading up to Christmas. . . Fast forward to a week later, when Jack comically discovers that Christmas is in fact Clara's birthday. Through a change of events, Clara realizes that the greatest gifts cannot be bought, and that sometimes sacrifice does come with a happy ending. **Christmas In July** Its the middle of summer, and Clara's life is on the brink of change. . . Soon she knows she'll have to transition from her old life as a human to her new life as one of the Winter Immortals that helps to create Christmas, but as the summer sun shines and an unexpected guest arrives at her doorstep, Clara begins to see this change in a new way. With the Snowflake Triplet shorts, Alexandra Lanc reminds us once again of the true meaning of Christmas. This item ships from La Vergne, TN. Paperback.
