Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What are little voices and what is this book about? Little voices is a collection of short addresses; words that have been given from spirit and given to congregations gathered in spiritual churches and centres by medium and author Reverend Sandie Woolford. The addresses are given where many join to find an understanding of themselves and to seek solace and acknowledgement of loved ones who have passed. The prose may not flow but the love within the words does. So we invite you to read on, draw from these words what comfort you will and open your heart and mind to the wonderful world of spirit and beyond.
