Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Latter-Day Saints Millennial Star, Vol. 79: January 11, 1917 Newly acquired buildings for places of worship in many cities abroad add largely to the increase of opportunities for the spread of the gospel and the worship of God by members of the Church. So also with the erection or enlargement of chapels and meeting houses in the wards and stakes of Zion, in the modern improve ments and conveniences suited to the times. Amusement halls. Gymnasiums, etc under Church regulations, afford proper re creation for our young people, and the recently organized move ments for the preservation of decorum in dancing and in dress are working desired reform in these important particulars. We urge upon the local Church authorities the need for wisdom and careful supervision in these matters during Christmas festivities and on all other occasions that purity and virtue may be upheld, and decency be strictly maintained. The cause of education has received full attention and assistance from the funds of the Church. While the State provides liberally for the common school and high school system, it is properly limited within secular lines, and, therefore, ecclesiastical teaching and in?uence must be supplied from ecclesiastical sources, and a constant increase of appropriations is needed to meet growing financial demands. These total a very large sum in addition to the outlay for school edifices. Satisfactory progress is being made in the grade of our teachers, the courses of study and the acquire ments of the pupils of both sexes, who are thus favored with correct instruction in religion and morality. The duty of rendering to the Lord one tenth of each member s interest, to be paid when received, is...
