With our government desecrating the Constitution with the Bill of Rights, we see America becoming a military police state where people have no rights. The evil powers that are have a master plan for planet Earth in the near future. And it does not look very good for you, or I. Is Earth the cosmic battle ground between God and Satan? If so: Then where are we in this eternal warfare? Who are some of the players in the game of life? Is evil on the verge of victory, or, will God and We the People prevail?
