

Seeing the Trees Through the Forest: Words of Poetry

Filesize: 8.78 MB

Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Leonie Collins)

SEEING THE TREES THROUGH THE FOREST: WORDS OF POETRY

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book Poetic PeteT, a.k.a. Peter Karplus, author of *Dancing with Fear, Rejection, Doubt, and Hope*, and *A Potpourri of Poems*, uses free verse, haiku, iambic pentameter, and rhyme and an amazingly sensitive understanding dipped in his own brand of humor as he explores nature and its brilliance, and covers subjects of family and friends, making dedications to those people in his life whom have held special meaning to him as well as illuminating the many shades of love and the range of emotions that are its bedfellows. Then, he follows with a selection of religion tenured poems ranging from the obtuse to the obvious. He goes on to show us a look inward into his life and people s reactions, to his speech impediments and bent body, that he has had to enlighten and change with his lifelong learned teachings, amazing understanding. He, then, continues with an assemblage of assorted poems that range from the comical to the serious aspects of life, followed by a few poems that take a surreal look at the world. Poetic PeteT then welcomes us with several of his latest lyrics spanning subjects such as love, heartbreak, and even politics. And in conclusion, he ends the book with a couple short stories.
