SONGS FOR THE SOUL: A LYRICAL REVOLUTION

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is an ole saying, Beauty is in the eye of the beholder, that is a truth. Words are that very truth to me. SONGS for the SOUL, is a collection of lyrical compositions, designed to evoke thoughts and feelings. An open door to hidden realities, guarded and unseen. Where: Love, hate, anger and despair become: Father and mother, sister and brother. A family all part of one entity, which is life. This is not a soft journey but more of a casual walk to see who we are and who we may be. How one sees life is a universal event, where all living things are connected. The good, the bad and the ugly of life exist, it is alive and well but so are love, peace and understanding. This is our time to solve meaningless differences and together forge a future, where the common bond is: Giving rather than taking, loving above hating and right never takes second to wrong. This is our time to become a better human being and in doing so we will learn, understand and in due time become HUMANE. Mankind s final epitaph should not be of death and destruction but rather a testament to Love and Peace and a helping hand to all who are in need. Then and only...
